Eventually the outcome of COVID-19 may be different from the estimated one as on the date of approval of this results. However the impact assessment of COVID-19 is a continuous process, given the uncertainties associated with its nature and duration. The Management will continue to closely monitor any material changes to future economic conditions, however, no significant impact is envisaged.
- Previous period's figures have been reclassified, wherever necessary, to conform with current period's classification.

Review Report

To
The Board of Directors
Foseco India Limited
Gat Nos. 922 and 923, Sanaswadi,
Shirur Taluka, Pune - 412208
Maharashtra, India

1. We have reviewed the unaudited financial results of Foseco India Limited (the "Company") for the quarter ended September 30, 2020 and the year to date results for the period January 1, 2020 to September 30, 2020 which are included in the accompanying "Statement of unaudited results for the quarter and 9 months ended September 30, 2020", (the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015"), which has been initialled by us for identification purposes. The Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.
3. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw your attention to Note 4 to the Statement, which describes the management's assessment of the impact of the outbreak of Coronavirus (COVID-19) on the business operations of the Company. The management believes that no material adjustments are required in the Statement. However, in view of the highly uncertain economic environment, a definitive assessment of the impact on the subsequent periods is dependent upon circumstances as they evolve. Our conclusion is not modified in respect of this matter.
